"Today's modern bride wants a classic, yet contemporary look for their dining table and the Spode Delamere collection provides that style," states Wendy Motlaq, Corporate Vice President for Portmeirion Group. "Delamere Bouquet, Lakeside and Rural each create elegant settings on their own or when used together."

Each piece in Spode Delamere includes an exquisitely detailed border of flowers and scrolls, known as British Flowers, sourced from the Spode design archives that dates back to 1828.
